WIRELESS OUTDOOR KEYPAD

Your preferred solution to control access to your home

A BRAND OF **SOMFY** GROUP

somfy.

Make access to your home secure and enjoy perfect peace of mind when you are going out or coming home. **Somfy has redesigned its range of keypads for gates and/or garage doors equipped with a Somfy motorisation.**

Now, only people with the secret code can open the garage door or the gate.

The keypad lets you control easily your Somfy motorised equipment.
Your home merits the best protection and you deserve a worry-free day-to-day!

Metal finish casing
